Product Description

Give your iPad® mini a two-position stand and two layers of protection with the Kensington Protective Cover & Stand. Whether you're typing emails or browsing the web, you'll find that the two-position stand makes it easier and more enjoyable. One position is easier on your eyes for viewing videos, reading, and browsing the web—the other is easier on your hands and wrists for typing on the touchscreen. The soft velvet interior protects your iPad mini from scratches, while the hard shell exterior cushions it from the inevitable bumps and bruises.

A device as small and sleek as the iPad mini just begs to be taken with you wherever you go. And the Kensington Protective Cover & Stand makes sure you're iPad mini is protected on the go and more productive when you get where you're going.
